Livestock Weighted Average Report for 2/10/2026 - Final

## AUCTION

|                        | This Week      | Last Reported<br>2/4/2026 | Last Year     |
|------------------------|----------------|---------------------------|---------------|
| <b>Total Receipts:</b> | 10,927         | 4,003                     | 2,460         |
| <b>Feeder Cattle:</b>  | 10,927(100.0%) | 4,003(100.0%)             | 2,460(100.0%) |

Compared to last week: Feeder steers steady to 2.00 higher. Steers with good condition weighing 600-700lbs 10.00-12.00 higher. Feeder heifers 5.00-10.00 lower. After last week's sharply higher feeder heifer market, some buyers were completely out on the heifer turn. Feeder steer condition was much better than feeder heifers. Steer and heifer calves 10.00-20.00 higher. Calf quality mostly plain with a few drafts of thin fleshed front-end cattle. Calf demand very good. Several buyers left the calf sale on Tuesday early after finding their dollars didn't go as far as expected, with prices continuing to climb. Some buyers voiced concern that this may be the final big sale for the next several weeks, leading to the increased competition for calves. Much needed rain is forecasted for Saturday. Supply included: 100% Feeder Cattle (60% Steers, 37% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 78%.

## FEEDER CATTLE

### STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

**Please Note:**

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
