Direct Livestock Weighted Average Report for week ending 10/17/2025

Direct Livestock

		This Week	Last Reported	Last Year
Total Direct Receipts:		185		400
Feeder Cattle	DEL	185 (100.0%)		
	FOB			400 (100.0%)
Total Receipts:		185		400

No comparable sales for a market trend. However, a higher undertone was noted. Demand was good with very few available cattle to be found this week. Nebraska feedlots have sold a few sales with dress trade 10.00 higher than last week at 372.00 and live sales 4.00 to 5.00 higher from 238.00 to 240.00. Too bad the CME live cattle boards fell out of bed on Friday or the feedlots could of saw more cash in there pockets this week. Supply included: 100% Feeder Cattle (100% Steers). Feeder cattle supply over 600 lbs was 100%. Unless otherwise noted, Feeder Cattle prices FOB based on net weights after a 2% shrink or equivalent, with a 12 cent slide > 600 lbs. Livestock reported this week originated from KS.
