No comparable heifer weights from last week for a market comparison. Sure a steady undertone for backgrounded heifers. Demand was good with short list of available direct cattle to look at. Most buyers are attending auctions to gather cattle to send to customers. Little light feedlot trade on Thursday with prices steady to last week's market. Dressed sales at 378.00 and live sales at 240.00. More trade is expected to happen on Friday. Supply included: 100% Feeder Cattle (100% Heifers). Feeder cattle supply over 600 lbs was 100%. Unless otherwise noted, Feeder Cattle prices FOB based on net weights after a 3% shrink or equivalent, with a 10-12 cent slide > 600 lbs. Livestock reported this week originated from NE.
